

Aspect Brass Illuminated Bathroom Mirror

R.T. LARGE
ESTABLISHED 1969

RoHS

CE

Benefits

- Modern brushed brass finish enabling seamless integration into bathrooms with brass accessories.
- LED Technology for long life
- IR sensor for touch free activation

Key Features

- IR sensor on/off
- Integrated demisted pad
- Floating LED border
- Brushed brass finish
- Diffused LED's

Product overview

The Aspect is a modern, elegant mirror that would serve as the stand out feature in any bathroom.

The floating-edge design is fully illuminated giving a fantastic, unrivalled glow. The light is perfectly diffused ensuring no diodes are visible, giving a seamless effect.

The IR sensor ensures the mirror glass remains clear of fingerprints and the integrated demister pad ensures the mirror face stays perfectly clear of steam and fog.

Mechanical Specification
